COMMUNICATION

Commissioner for Patents  
Washington, D.C. 20231

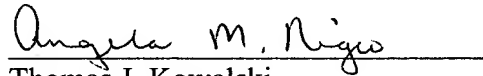

Sir:

This is in response to the Notice to File Corrected Application Papers, mailed October 29, 2001, setting a two-month term for reply. The Notice requested new copies of the drawings and specification due to improper margins. Enclosed herewith is a new set of drawings for the above referenced application. The application as filed contained the original specification filed in the parent application, as well as the substitute specification which had been subsequently filed and accepted in the parent application. Enclosed herewith is a new copy of each. The substitute specification filed in the parent application is so marked.

As this is being filed before the end of the term for reply, it is believed that no fees are necessary. However, please charge any additional fees, or credit any overpayment in fees, to Deposit Account No. 50-0320.

Respectfully submitted,
